## APILUS TECHNOLOGY

Apilus® offers advanced technology with proven effectiveness in the field of hair removal. Already in use in thousands of Apilus® Centre's throughout the world, our systems have demonstrated time and time again that Apilus® delivers more effective and more comfortable treatments as well as much more rapid permanent results than any other hair removal technique.

Thanks to its powerful circuits entirely controlled by computer, Apilus® offers professional electrologists pinpoint precision and perfect settings to guarantee the results you seek. You can finally say goodbye to unwanted hair, whether on the face or any other part of the body.

Apilus® is also equipped with a unique "tolerance test", which allows the unit to be adjusted and adapted to your level of sensitivity to the current. Apilus® high precision circuitry uses application pulses as short as one-thousandth of a second, which assures incomparable comfort.

In salon consultation is required, supported with photographs, service to guide the client through the protocol to achieve results. Fee refunded on purchase 20.00

### Blackhead Extraction

30 minutes 30.00

Mild removal of dead skin cells using clay masque under steam. Blackheads and blockages are removed kindly with blackhead extraction tool.

### Cool Peel

1 hour 15min 57.00

Ideal for clients with photo-damage, problem skin and excessive redness. The strength of the peel can be varied to suit the clients needs. This innovative approach uses levels of lactic acid which achieves measurable results while caring for the epidermis.

## ENVIRON

### Collagen Power Facial

1 hour – 3 Areas 65.00

1 hour 30 minutes – Full 85.00

This peptide-packed facial helps to boost collagen, soften lines and tighten lax skin, resulting in a more youthful appearance. Ideal for targeting mature or photo-damaged complexions.

The treatment uses gentle soundwaves to drive a special nutrient packed serum deep into the lower layers of the skin. The formula contains a unique combination of three peptide complexes which work in synergy to give a skin a plumper, more radiant appearance.

- Creates plumper, radiant skin
- Refines uneven texture
- Softens fine lines
- Deeply hydrates
- Tightens lax skin
- Creates a more youthful appearance

### The Frown Treatment

45 min 90.00

This highly effective treatment uses a special penta-peptide serum to target frown lines and achieve dramatic results. The unique combination of active ingredients is driven deep into the skin to soften lines and reduce muscle tension in the forehead helping to prevent new lines forming. The treatment targets the same chemical complexes as injectables without the associated risks.

### HydraBoost Treatment

1 hour 90.00

The perfect antidote to dry, lacklustre skin, this intensive treatment deeply hydrates while plumping and firming the skin. Based on Hyaluronic Acid, which holds 1000 times its own weight in water, it helps to reduce fine lines caused by dehydration and increase the plumpness of the dermis, resulting in moisturised, glowing skin.

## ENVIRON

### Advanced Active Vitamin Treatment

1 hour – 3 Areas 57.00

1 hour 30 minutes – 10 Areas 75.00

Packed with nourishing, anti-aging ingredients, the active vitamin treatment will leave your skin looking radiant and dewy. The freshest, most active forms of vitamin A, C and anti-oxidants are driven deep into the lower layers of the skin using soundwaves and small electrical pulses. This scientific approach stimulates collagen to soften lines and improve elasticity, increase hydration and boost radiance. The active vitamin treatment is suitable for all skin types and is particularly effective at addressing sun-damaged, pigmentation, premature aging, dryness, uneven skin tone and scarring with measurable differences after just one session.

**Dermalift** 45.00

A world leader in micro-current facial lifting. Dermalift will successfully lift and tone tired sagging muscles, smooth out and reduce lines and wrinkles that have formed around the eyes, forehead, mouth, cheeks, neck and throat area. Dermalift improves the circulation and assists the anti-aging process resulting in a much improved, more youthful appearance.

### Dermalift Eyes

As above, the eye area only. 22.50

## MATIS FACIALS

Products which 'mimic' the components of young skin, science with a sensuous touch in formulas dominated by plant based gentleness. To preserve, maintain and prolong the skins youthfulness. Award winning skin care dedicated to the professional beauty salon. Modern high performance products combining science and sensory pleasure, Matis has succeeded in recreating all the natural functions of the skin using components which are 100% BIO-MIMETIC replicas of the natural skin constituents.
